Dear Hiring Manager,

I hope this message finds you well. My name is Munim Thahmid, and I am currently in my third year pursuing a Bachelor's degree in Computer Science and Engineering at Bangladesh University of Engineering and Technology (BUET).

I am writing to express my sincere interest in the Intern, Software Engineering Position at Optimizely. Your company's mission to unlock digital potential resonates with my passion for leveraging technology to create impactful solutions and enhance user experiences. I am excited to participate in the development of services and projects in first-class products.

Throughout my undergraduate studies, I've engaged in numerous coding assignments and projects, which have honed my critical thinking abilities and software development skills. These experiences have shown me the joy of building exciting products through coding. Apart from that I always love to do problem solving in my free time.

I'm excited to contribute to Optimizely's dynamic team culture, where collaboration and continuous improvement are valued. The state-of-the-art workspace in Dhaka reflects Optimizely's dedication to enhancing the work experience, providing an ideal environment for growth and creativity.

Thank you for considering my application. I'm eager to learn, grow, and contribute to Optimizely's projects. I'm confident in my ability to complete tasks effectively and communicate well with the team. I look forward to the opportunity to discuss how I can be a valuable addition to your team.

Sincerely yours,

Munim Thahmid
